

RV Information, CPE Nationals 2010, Kissimmee, FL

There are 50 RV sites at Osceola Heritage Park. Most of the sites are 30 amps, some are 50 amps. Contact Bill Schneckenberg at 321-697-3341 or email is wjschneckenberg@ohpark.com for an RV reservation. Pasco Paws is not handling the RV reservations, they are being taken directly by the facility.

The reservation form is also posted on the Pasco Paws CPE Nationals website. The forms can be sent directly to the facility to make a reservation. Their address is:

SMG / Osceola Heritage Park
1875 Silver Spur Lane

Electric and water only, no sewer, but we (Pasco Paws) will be contracting with a company for at least one pump out for the event. You will be responsible for paying Pasco Paws for this at the event and details will be forthcoming.
